Allowed Claims: 1-9, 11-12, 59, 71-74, 76-77, 79-85, 89-90, 96-98.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with reference to independent claim 1, none of the prior art either alone or in combination disclose or teach of the claimed spectacle lens, specifically including, as the distinguishing features in combination with the other limitations, the claimed vision correcting area having a refractive error correction that uses ambient light for correcting a refractive error of an eye and correction of the non-conventional refractive power is provided by localized changes in refractive power of the lens. Specifically, with reference to independent claims 71 and 89, none of the prior art either alone or in combination disclose or teach of the claimed lens, specifically including, as the distinguishing features in combination with the other limitations, the claimed vision correcting area having a refractive error correction that uses ambient light for correcting a refractive error of an eye and the claimed first region and second region providing for the correction as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
